

CALL FOR ARTICLES

The Journal, Perspectives on Development Policy for the Greater Mekong Region, will publish twice a year in January and July. Following the first publication in January 2015, the second journal edition is scheduled for July 2015.

This is a call for submissions for the sixth of the third year to be published in July 2015 Journal. The articles may be:

- theoretical or analytical articles on development policy;
- reports of development policy research;
- innovations from the development policy field.

The articles must be submitted by May 20, 2015 in order to be considered for publication. Please include author/s name/s, title/s, affiliation/s, addresses, phone number/s and email/s and note who should be listed as the lead author.

Please prepare articles/manuscripts using Times Roman, font size 12 and 1.5 spacing. They must not be more than 10 pages long in print, including all tables, graphs and bibliography/references. All tables and figures must be placed at the end of the document. Please specify in the text where tables/figures should be placed. Please place note references at the end of the article rather than at the bottom of pages in the text. Do not use footnotes and endnotes in the text.

Left justify everything with a ragged right-hand margin (no full justification) and use 1 inch margins. Insert page numbers on the lower right bottom corner.

If sending by postal mail, include 2 copies of the article and one electronic copy in MS Word on an IBM-format disk.
